

TRASH CHUTE RULES & REGULATIONS

Trash chutes are located in all laundry rooms. Please bag your trash before placing it in the chute.

Moving Boxes, Cartons and All large items MUST BE PLACED IN THE DUMPSTERS in all parking lot areas.

When Moving Boxes, Cartons, Large items, etc., are placed in the trash chute, the chute becomes clogged and backs up to the top floors. This is not only a Fire Hazard, but also a Health Issue.

Anyone found placing large items in the chute or leaving trash, i.e., Large Boxes, Cartons, etc., on the floor of the trash chute closet or in the laundry room will be fined \$100.00 per incident.

We ask for your cooperation in this matter so that all residents can enjoy a clean laundry room and not be subject to backed up trash chutes.
